Dear Mr. & Mrs. Rogers:

I wish I had time to
write all the letters I want to
write. I think it's a mean shame
to have your friends - and not take
time to show our true appreciation of
them. I don't boast of my poetic
return - but I enjoy the fun - as you
do - your son - some cute things - I
wish you keep in practice - so glad to
hear of your trip to Alaska - Remember us
to Albert - and Sheila too - I wish my
boy again? Thanks so much for your good
letter.
